ADDITIONAL INFORMATION:

- 1. The form should be printed and filled out. If the Submitter provides additional materials about the candidate, they should be numbered and listed in item 12 of this application. A complete set of documents should be sent to the Competition Organiser. The Submitter gives consent to submit this form for the purposes of organisation of the competition and to provide this application to the public.
- 2. If the Submitter submits to the Organiser any photographs or videos about the candidate, by doing so the Submitter grants the Organiser a free-of-charge and non-exclusive license to use the works submitted

(photographs and/or fragments of videos in analog and/or digital format, texts). The Organiser reserves the right to use the above-mentioned works and copy them in printed materials, websites, electronic carriers, and to make them available for informational purposes in mass media and publications established in accordance with the copyright law in force in Poland. Be advised that the license granted to the Organiser does not restrict the Submitter's capacity to use his/her copyright to the above-mentioned works in relation to other entities.

3. The Organiser also reserves the right to use fragments of the above-mentioned works free of charge on the Award website without having to consult with the Submitter.

4. The Organiser does not return the materials submitted in applications.
